What We Are

AMATON CERAMIC Has Grown Beyond The Initial Expectations. International Manufacturing Technology, Energy Efficient Unit Functioning And Environment Friendly Production Processes Ensure That We Keep Our Quality And Quantity Under Stringent Control. No Doubt, We Have Iso:9001-2008 Certification That Enables Us To Keep Our Norms Of Quality Control, Systems, Management And Production Under Strict Disciplinary Measures.

Exemplary Designs, Latest Technology And Induction Of Industry And Customer Requirements Into The Product Design And Detailing Ensures That Our Tiles Come In Great Ranges And Styles.

Professionalism Is The Key To The **AMATON** Reputation As A Leading Producer Of Digital Tile. With A Truly Qualified & Devoted Team, We Work Hard To Maintain Efficient Communication Flows, Making Sure We Keep To Our Commitments. And A Holistic Approach To Human Resource Development Within The Company Allow Personnel To Upgrade And Refine Their Skills And Expertise While Gaining An Understanding Of The Company's Operations As A Whole.
